Subject Index

A

Abstracts
Abstracts from APNA's ninth annual conference. 1995;1:200-202
Accreditation
JCAHO functional standards: what do they mean for your next survey? (Bultema and Eisenberg). 1995;1:68-72 (Briefing)
Aged
Existential psychotherapy with older adults (McDougall). 1995;1:16-21
Agoraphobia
Outcomes of group cognitive behavioral training in the treatment of panic disorder and agoraphobia (Schweitzer et al). 1995;1:83-91
Ambulatory care facilities
Mental health problems in hospital-based clinics: patient profile and referral patterns (Wilkinson et al). 1995;1:140-145
American Psychiatric Nurses Association
Ninth annual conference registration information. 1995;1:133-137
One tent with many people or one village with many tents? (Sills). 1995;1:105-106 (Editorial)
Art therapy
Art and the art of nursing (Augusta). 1995;1:39-41

B

Behavior therapy
Outcomes of group cognitive behavioral training in the treatment of panic disorder and agoraphobia (Schweitzer et al). 1995;1:83-91
Biological factors
Biological aspects of schizophrenia (Spitzer). 1995;1:204-207
Biological therapy
Some unresolved issues in the era of biopsychosocial nursing (Peplau). 1995;1:92-96
Book reviews
Breakdown: sex, suicide, and the Harvard psychiatrist [McNamara] (Lego). 1995;1:30-33
Life from death row [Abu-Jamal] (Lego). 1995;1:171-174
A map of the world [Hamilton] (Lego). 1995;1:66-67
Women of the asylum: voices from behind the walls [Geller and Harris] (Sharp). 1995;1:128-132
Briefings
Dual diagnosis: the challenge (Knowlton). 1995;1:102-103
JCAHO functional standards: what do they mean for your next survey? (Bultema and Eisenberg). 1995;1:68-72
MacArthur treatment competence study (Grisso and Appelbaum). 1995;1:125-127
The National Advisory Mental Health Council (Fox). 1995;1:34-35

C

Chronic disease
Nursing roles for chronic pain management in the seriously mentally ill (Pavalonis et al). 1995;1:107-111
Cognitive disorders
Severity of depression, cognitions, and functioning among depressed inpatients with and without coexisting substance abuse (Zauszniewski). 1995;1:55-60
Cognitive therapy
Outcomes of group cognitive behavioral training in the treatment of panic disorder and agoraphobia (Schweitzer et al). 1995;1:83-91
Competency, mental; *see* Mental competency
Computers
Informatics: opportunities for administrators, clinicians, educators, and researchers (Walker and Walker). 1995;1:22-29
Consultation; *see* Referral and consultation
Countertransference
Using the concepts of transference and countertransference in the consultation process (Miles and Morse). 1995;1:42-47

D

Delivery of health care
Applying Kanter's theory of innovative change: the transition from a primary to attending model of nursing care delivery (Dee and Poster). 1995;1:112-119
Primary mental health care: a model for psychiatric-mental health nursing (Haber and Billings). 1995;1:154-163
Primary partnership: a blended model for patient care in the psychiatric unit (Walther). 1995;1:97-101

Depression
Severity of depression, cognitions, and functioning among depressed inpatients with and without coexisting substance abuse (Zauszniewski). 1995;1:55-60
Diagnosis
Dual diagnosis: the challenge (Knowlton). 1995;1:102-103 (Briefing)
Drug abuse; *see* **Substance abuse**
Drug therapy
The implementation of advanced practice psychiatric nurse prescribers: a comprehensive model (Bailey and Snyder). 1995;1:183-188
Pharmacologic treatment of schizophrenia; a review (Tugrul). 1995;1:208-213

E

Editorials
Breaking free (Sills). 1995;1:73-75
Hallmarks and benchmarks (Sills). 1995;1:37-38
Hang on Sloopy, hang on! Hang on vision hang on! (Sills). 1995;1:1-2
"If only"...or the ubiquitous "they" (Sills). 1995;1:139
One tent with many people or one village with many tents? (Sills). 1995;1:105-106
Responding to a changed reality in the workplace (Babich). 1995;1:175-176
Education, professional
A forum for learning and discussion (Glod and McEnany). 1995;1:164-165 (Psychobiology Persp.)
Encounters along a career line
Encounters along a career line (Hill). 1995;1:75
Encounters along a career line (Peplau). 1995;1:21, 1995;1:138, 1995;1:174, 1995;1:199
Existentialism
Existential psychotherapy with older adults (McDougall). 1995;1:16-21

F

Fatigue syndrome, chronic
Milieu issues in the treatment of a person with chronic fatigue syndrome on an inpatient psychiatric unit (Anderson and Kayner). 1995;1:12-15

G

Geriatric psychiatry
Existential psychotherapy with older adults (McDougall). 1995;1:16-21
Grief
Chronic sorrow in women with chronically mentally disabled husbands (Hainsworth et al). 1995;1:112-119
Group therapy; *see* **Psychotherapy, group**

H

Healthcare delivery; *see* **Delivery of healthcare**
Health personnel
Developing a critical incident stress debriefing team in a mental health care system (Welzant et al). 1995;1:177-182
Hospitals, psychiatric
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54
Milieu issues in the treatment of a person with chronic fatigue syndrome on an inpatient psychiatric unit (Anderson and Kayner). 1995;1:12-15
Primary partnership: a blended model for patient care in the psychiatric unit (Walther). 1995;1:97-101

I

Information science
Informatics: opportunities for administrators, clinicians, educators, and researchers (Walker and Walker). 1995;1:22-29
In memoriam
Remembrance of a life: Dr. Catherine M. Norris (Peplau). 1995;1:36
Interviews
A conversation with Tipper Gore about mental health care: today's assessment and tomorrow's potential (Betts). 1995;1:190-195
Policy partners—nursing and psychiatry in the capital: an interview with Dr. Mary Jane England (Valentine). 1995;1:76-82
Rosalynn Carter: advocate for the mentally ill (Brooks). 1995;1:3-5

J

Joint Commission on Accreditation of Healthcare Organizations
JCAHO functional standards: what do they mean for your next survey? (Bultema and Eisenberg). 1995;1:68-72 (Briefing)

M

Marriage
Chronic sorrow in women with chronically mentally disabled husbands (Hainsworth et al). 1995;1:112-119
Mental Competency
MacArthur treatment competence study (Grisso and Appelbaum). 1995;1:125-127 (Briefing)
Mental disorders
Biological aspects of schizophrenia (Spitzer). 1995;1:204-207
Chronic sorrow in women with chronically mentally disabled husbands (Hainsworth et al). 1995;1:112-119
Dual diagnosis: the challenge (Knowlton). 1995;1:102-103 (Briefing)
Nursing roles for chronic pain management in the seriously mentally ill (Pavalonis et al). 1995;1:107-111
Rosalynn Carter: advocate for the mentally ill (Brooks). 1995;1:3-5 (Interview)
Mental health services
A conversation with Tipper Gore about mental health care: today's assessment and tomorrow's potential (Betts). 1995;1:190-195 (Interview)
Developing a critical incident stress debriefing team in a mental health care system (Welzant et al). 1995;1:177-182
Milieu therapy
Milieu issues in the treatment of a person with chronic fatigue syndrome on an inpatient psychiatric unit (Anderson and Kayner). 1995;1:12-15

N

Neurobiology
The neurobiology of posttraumatic stress disorder (Glod). 1995;1:196-198
News and notes
Ohio State honors nursing professor Grayce Sills. 1995; 1:138
Peplau among honorees at Library of Congress. 1995;1:189
Nurses
The implementation of advanced practice psychiatric nurse prescribers: a comprehensive model (Bailey and Snyder). 1995;1:183-188
Nursing
Art and the art of nursing (Augusta). 1995;1:39-41
Informatics: opportunities for administrators, clinicians, educators, and researchers (Walker and Walker). 1995;1:22-29
Nursing roles for chronic pain management in the seriously mentally ill (Pavalonis et al). 1995;1:107-111
One tent with many people or one village with many tents? (Sills). 1995;1:105-106 (Editorial)

Policy partners—nursing and psychiatry in the capital: an interview with Dr. Mary Jane England (Valentine). 1995;1:76-82 (Interview)
Primary mental health care: a model for psychiatric-mental health nursing (Haber and Billings). 1995;1:154-163
Primary partnership: a blended model for patient care in the psychiatric unit (Walther). 1995;1:97-101
Some unresolved issues in the era of biopsychosocial nursing (Peplau). 1995;1:92-96

Nursing assessment
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54

Nursing care
Applying Kanter's theory of innovative change: the transition from a primary to attending model of nursing care delivery (Dee and Poster). 1995;1:112-119
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54

P

Pain
Nursing roles for chronic pain management in the seriously mentally ill (Pavalonis et al). 1995;1:107-111

Panic disorder
Outcomes of group cognitive behavioral training in the treatment of panic disorder and agoraphobia (Schweitzer et al). 1995;1:83-91

Patient care management
Primary partnership: a blended model for patient care in the psychiatric unit (Walther). 1995;1:97-101

Patients
Development of nurse-client relationships: what helps? (Forchuk) 1995;1:146-153
Mental health problems in hospital-based clinics: patient profile and referral patterns (Wilkinson et al). 1995;1:140-145

Personality disorders
Borderline personality disorder and posttraumatic stress disorder in Vietnam veterans (Lego). 1995;1:6-11

Point of view
Coming to terms: psychiatric nurse practitioner versus clinical nurse specialist (Caverly). 63-65, 1995;1:61
Coming to terms: psychiatric nurse practitioner versus clinical nurse specialist (Lego). 1995;1:61-63

Prescriptions, drug
The implementation of advanced practice psychiatric nurse prescribers: a comprehensive model (Bailey and Snyder). 1995;1:183-188

Psychiatry
Policy partners—nursing and psychiatry in the capital: an interview with Dr. Mary Jane England (Valentine). 1995;1:76-82 (Interview)

Psychotherapy
Existential psychotherapy with older adults (McDougall). 1995;1:16-21
Maximizing psychosocial interventions (Littrell and Freeman). 1995;1:214-218
Some unresolved issues in the era of biopsychosocial nursing (Peplau). 1995;1:92-96

Psychotherapy, group
Outcomes of group cognitive behavioral training in the treatment of panic disorder and agoraphobia (Schweitzer et al). 1995;1:83-91

R

Referral and consultation
Mental health problems in hospital-based clinics: patient profile and referral patterns (Wilkinson et al). 1995;1:140-145
Using the concepts of transference and countertransference in the consultation process (Miles and Morse). 1995;1:42-47

Research
MacArthur treatment competence study (Grisso and Appelbaum). 1995;1:125-127 (Briefing)

S

Schizophrenia
Biological aspects of schizophrenia (Spitzer). 1995;1:204-207
Maximizing psychosocial interventions (Littrell and Freeman). 1995;1:214-218
Pharmacologic treatment of schizophrenia; a review (Tugrul). 1995;1:208-213

Social support
Maximizing psychosocial interventions (Littrell and Freeman). 1995;1:214-218, 1995;1:214-220

Spouse abuse
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54

Stress, psychological
Developing a critical incident stress debriefing team in a mental health care system (Welzant et al). 1995;1:177-182

Stress disorders, post-traumatic
Borderline personality disorder and posttraumatic stress disorder in Vietnam veterans (Lego). 1995;1:6-11
The neurobiology of posttraumatic stress disorder (Glod). 1995;1:196-198

Substance abuse
Dual diagnosis: the challenge (Knowlton). 1995;1:102-103 (Briefing)
Severity of depression, cognitions, and functioning among depressed inpatients with and without coexisting substance abuse (Zauszniewski). 1995;1:55-60

T

Transference
Using the concepts of transference and countertransference in the consultation process (Miles and Morse). 1995;1:42-47

Treatment refusal
MacArthur treatment competence study (Grisso and Appelbaum). 1995;1:125-127 (Briefing)

V

Veterans
Borderline personality disorder and posttraumatic stress disorder in Vietnam veterans (Lego). 1995;1:6-11

Vietnam
Borderline personality disorder and posttraumatic stress disorder in Vietnam veterans (Lego). 1995;1:6-11

Violence
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54
Thoughts and reflections after the bombing of the Alfred P. Murrah Federal Building in Oklahoma City (Flynn). 1995;1:166-170

W

Wife abuse; *see* **Spouse abuse**

Women
Chronic sorrow in women with chronically mentally disabled husbands (Hainsworth et al). 1995;1:112-119
Getting to the heart of the matter: nursing assessment and intervention with battered women in psychiatric mental health settings (Fishwick). 1995;1:48-54
